U. S. COMPILED STATUTES

1918

Compact Edition

This one-volume edition contains all the general laws enacted by Congress from 1789, up to and including July 16, 1918 which are now in force

The text follows the arrangement of the Revised Statutes of 1878 and the U. S. Compiled Statutes Annotated 1916

By retaining this standard text and exhaustive index as a basis, and recompiling by adding the later laws in their proper places, it has been possible to produce a reliable and down-to-date compilation within a short time and at a minimum cost to the lawyer

By means of a large type page ($6\frac{1}{4} \times 9\frac{1}{4}$) set in two columns and the use of thin paper all of the law has been put in *one compact volume*

The laws recently passed by Congress during the "war sessions" are affecting the business and private interests of millions of clients. Lawyers must know and know quickly the scope and effect of these laws
